Final Program Announcement

PrestoSpace Demonstration Workshop

23 June 2006

Hosted by the Netherlands Institute for Sound and Vision & ORF, Salzburg, Austria

The PrestoSpace project has been developing an array of tools designed to provide new solutions and services for use in mass digitisation projects. Their development has occurred in four "Work Areas":

- Preservation
- Restoration
- Storage Archive Management
- Documentation and Publication Process

What exactly has been developed to date?

This demonstration workshop will provide the answers to that question. It will begin in the morning with Work Area Leader presentations followed by interactive demonstrations in the afternoon.

10:00 Welcome

PrestoSpace Factory Workshop Vienna Roundup: What was presented and what attendees had to say

10:30 Work Area Leaders: What we've developed to date and Why it should make your life easier!

- Preservation, Jean Hugues Chenot, INA
- Restoration, Georg Thallinger, Johanneum Research
- Storage Archive Management, Richard Wright, BBC
- Documentation and Publication Process, Georgio Domino, RAI

- Lunch -

13:00 -16:00 Interactive Demonstrations

- Preservation Area
 - Magneto-Optical playback of Audio Tapes
 - Optical playback of Audio Disks
 - The SammaSync Timebase Corrector and Reporting System
- Restoration Area
 - DIAMANT System with enhanced interface and restoration modules
 - Restoration Management Tool
- Storage Archive Management
 - Web-based Tools for Setting Up and Running a Digitisation Project
 - Web-based Tools for calculating Digital Storage Needs
- Documentation and Publication Process
 - Publication Platform

16:00-16:30 Demonstration Feedback: Work Area Leaders Report on What They've Just Heard and Learned

16:30 Wrap Up

Registering for the Conference

Please register with:

Marguerite van Voorthuizen [<mailto:mvvoorthuizen@beeldengeluid.nl>] or Beth Delaney [<mailto:bdelaney@beeldengeluid.nl>].

The deadline to register is 14 June.

Location:

The workshop will be held on the Techno-Z Campus in Salzburg Jakob-Haringer-Straße 5, Bauteil 3, Veranstaltungszentrum, Seminarraum "Untersberg".
